Landscape Architecture
Planning, Engineering &
Environmental Services

June 12, 2017

Beckett & Raeder, Inc. is a multi-disciplinary firm with offices in Ann Arbor, Petoskey, and Traverse City, Michigan providing landscape architecture, planning, civil engineering, and environmental services. Market segments include: park design and planning, urban design, campus design and planning, K-12 site design, community design, governmental and private sector mixed use, commercial and industrial projects all with a focus on sustainability, universal design and transit forward principles. We are a close-knit group of passionate professionals and enthusiastic learners who are committed to assisting our clients in making great places for future generations. We focus on developing creative design solutions employing state of the art materials, design principles and best management practices. If you are interested in joining an **award winning, fun loving group of collaborative professionals** we are looking to add to our team.

i *initiative*

LANDSCAPE ARCHITECT, 6-10 years experience
Landscape Architect (license preferred) committed to being a collaborative member of a multi-disciplinary team of professionals interested in assisting senior team members with public input, site design, landscape design, construction observation and master planning.

Requirements:
Candidates should possess a strong work ethic, passion for the profession, and proven design/technical skills. Candidates should enjoy collaborating within an internal project team and have a history of effective client interaction. All members of the BRI team are actively involved in project production and candidates should be equally comfortable guiding and producing work.
